Suspension of Service for Non-Payment:

Accounts with a past due balance on the first day of the month will have their services suspended (except E911) until payment is made in full. **Suspension of service will not result in proration of billing for the time service was not available.** If payment in full is not received by CoastConnect within 14 days of suspension, all services (including E911) will be disconnected, and an early termination fee and equipment charges may apply.

Reconnect Fee:

All accounts that are disconnected for non-pay will be charged a \$25.00 reconnect fee. CoastConnect will consider waiving this fee if the account is placed on autopay.

Equipment Charges:

An Optical Network Terminal (ONT) and a wireless router will be installed on the customer’s premises when fiber or telephone service is installed. Both are provided free of charge while service is received from CoastConnect. If fiber and or telephone service is disconnected at a location for any reason, this equipment must be returned to CoastConnect in good working condition within 30 days of service termination, or the following charges will be added to the account.

- ONT Damage/Non-Return Fee \$80.00

This fee will be added to the account if the customer damages the device or fails to return the equipment in good condition after cancellation/disconnection of service.

- **WiFi Router Damage/Non-Return Fee** \$150.00
This fee will be added to the account if the customer damages the device or fails to return the equipment in good condition after cancellation/disconnection of service.

If the equipment is not returned in a timely manner and CoastConnect sends a technician to the location to attempt to recover the equipment, the appropriate service charge will apply.

Early Termination Fee:

If an account is closed for any reason prior to completion of the contracted service period, an early termination fee equal to the remaining un-billed days on the contract multiplied times 1/30th of the monthly rate for services under contract. Early termination fee will be waived for customers that return in-home equipment within 30 days of service termination.
